

**LEE COUNTY WOMEN'S TENNIS LEAGUE
2016 – 2017 SPORTSMANSHIP AWARD WINNERS**

The LCWTL encourages all members to practice good sportsmanship. Respect for your opponents and treating them as you would want to be treated are the foundation of good sportsmanship. Players should know the rules and play by them. They should make every effort to call lines and scores accurately and accept their opponents' calls even if they disagree with them. Whether winning or losing, players are encouraged to be gracious and generous, shaking hands after the match and congratulating their opponents on a match well played.

At the end of each season, players from each division select a team which exemplifies the spirit of true sportsmanship. The teams below were awarded this honor this season.
