

LEGENDS

GOLF & COUNTRY CLUB

We are enhancing our amenities adding four pickleball courts, tennis court bathrooms, additional parking, and a new terrace lounge. During construction we highly recommend that Lee County Tennis Teams carpool when playing at Legends, as there is limited access to the tennis courts. Legends Golf and Country Club always strives to make your tennis experience as enjoyable as possible.

Pardon our construction during these enhancements.

League play will take place on Courts #4, 5, 6, and 7
