LCTWL does not operate or control the facilities. LCWTL members and players are reminded to adhere to all regulatory Covid-19 requirements and recommendations. A player **will not** participate in league play at any time if feeling unwell and/or exhibiting any signs of fever, cough, shortness of breath or sore throat, or any other symptoms or signs of potential spread of any virus or bacteria/disease. Players should seek medical attention for any Covid-19 like symptoms.
2. The LCWTL does not seek to provide expert advice or opinion on any individual players state of wellness or any potential inherent risks associated with league play. Players should seek medical advice from a health care provider regarding any concerns, questions or risks associated with underlying conditions.
3. Players should practice good hygiene before, during and after match play, consistent with the CDC guidelines.
